

Range Medical Officer

Range Medical Officer

Hosted by Cleveland Community College

This two day course is designed for the Range Safety Officer and Law Enforcement Instructor providing High Liability Training such as firearms and defensive tactics. The objective of the course is to provide realistic medical training beyond the basic first aid level. The RMO will be able to manage medical emergencies until advanced level medical care is available.

Topics Include:

- Oxygen Therapy
- Advanced Airway Management
- Penetrating Injuries
- Blunt Trauma
- Environmental Emergencies
- Splinting and Stabilizing Fractures
- Evacuation Procedures / Drags and Carries
- Medical Equipment / Range Bags
- Practical Scenarios

Duration: 2 Day

Tuition: \$ 200

Date: November 1-2, 2018
